

Outdoor Recreation Complex at Foss

Reminders for all parents, guardians, players & coaches

We have just a few reminders for the Round Robin tournaments and facility use at the Saco Foss Road Fields.

- We share our facility with the Saco Transfer Station which is in fact open on Saturdays. This means that we need to be aware of the areas designated for waste dumping and the traffic using these areas.
- We have 3 large parking lots and certain roadsides designated for all soccer traffic, so please abide by all parking signs.
- Foss Road is also a residential area. Just a reminder that the speed limit coming into the facility is 25mph, and once in our facility, it is only 15mph.
- There are multiple Porta-Potty toilets available to the public, and these are noted on the field map.
- Our concession stand will be open during the tournament hours. There is a variety of snacks and drinks to choose from, such as pizza, French fries, candy, Gatorade, and much more! (Cash & checks only)

We hope you enjoy your time at the Outdoor Recreation Complex at Foss Road.

Thank you!

The Saco Parks & Recreation Department
